Notes

- (1) Unless otherwise stated in the more detailed zoning maps or S1.7 of the Planning Scheme, all land in the Burke Shire is included in the Rural Zone.
- (2) The procedures and requirements of the *Land Act 1994* apply to land currently under various State tenures including Unallocated State Land. This map indicates Council's preferred future use over such lands but does not bind the State to this preferred use over its land at some future time if the State believes that there is a more appropriate use for a higher public interest.
